## RESPONSE TO RESTRICTION REQUIREMENT

This is in response to the Restriction Requirement set forth in the Official Action dated November 2, 2005. Applicant hereby provisionally elects with traverse Species II (Figure 2). Applicant submits that Claims 9-16, 26-40, and 73-82 are readable on the elected species and that independent Claims 1-8 and 57-67 are generic to Species I, II, and III. Applicant reserves the right to file one or more divisional applications directed to the non-elected species. An early and favorable action is solicited.

It is not believed that extensions of time or fees for net addition of claims are required, beyond those, which may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR § 1.136(a), and any fee required therefore (including fees for net addition of claims) is hereby authorized to be charged to Deposit Account No. 16-0605.

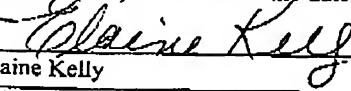

Respectfully submitted,
